

Important!

Your international health insurance within the GIZ group contract with HALLESCHE Krankenversicherung is only valid for the duration of your international contract with CIM or GIZ.

The contract with HALLESCHE shall be terminated with the permanent return to Germany/home country, even if the foreign contract with CIM or GIZ is still active. The final journey home (e.g. entry into Germany/home country) is decisive.

Please use the second page of this form to confirm the end of your contract. If you have applied for a continuation option or are wish for a continuation of cover you may request an offer to be provided.

Please send your cancellation per e-mail to:
