The premiums are stated in € and are valid for each complete calendar month of the stay abroad. The entry age is the difference between the year of birth and the calendar year in which the insurance contract begins. Children pay the premium of age group 0-16 up to the end of the year in which they reach the age of 16. After that the premium of age 17 is to be paid.

The discount on the currently applicable premium of tariff ARL.77 is financed from the surplus funds of the GIZ group foreign health insurance tariffs. Discounts of 15% for adults and 5% for children apply. The reduced amount is explicitly indicated as the payable premium. The discounts are granted for an indefinite period but only as long as the surplus funds last.
